Men's and Women's Soccer Candidates Announced for the 2021 Senior CLASS Award

OVERLAND PARK, Kan. (September 30, 2021) – Sixty NCAA® men's and women's soccer student-athletes who excel both on and off the field were selected as candidates today for the 2021 Senior CLASS Award®.

To be eligible for the award, a student-athlete must be classified as an NCAA Division I senior or graduate-student and have notable achievements in four areas of excellence: community, classroom, character, and competition. The complete list of candidates follows this release.

An acronym for *Celebrating Loyalty and Achievement for Staying in School*®, the Senior CLASS Award focuses on the total student-athlete and encourages students to use their platform in athletics to make a positive impact as leaders in their communities.

Each of the 60 candidates has displayed a strong work ethic in the classroom and on the pitch. Outside of academics and athletics, all candidates have also been consistently involved in community service on their campus or in their communities.

Each of the two candidate classes will be narrowed to 10 finalists later in the season, and those 10 names will be placed on the official ballot. Ballots will be distributed through a nationwide voting system to media, coaches and fans, who will select one male candidate and one female candidate who best exemplifies excellence in the four Cs of community, classroom, character, and competition.

The Senior CLASS Award winners will be announced during the 2021 NCAA Men's and Women's College Cup® championships in December.
